# COMFORT & SPECIALIZED EXPERTISE

**Dr. Leonard Sandler**

Director of Cardiac Rehab Programming

## Comprehensive CARDIOPULMONARY CARE

Our physician-led program under the direction of Dr. Leonard Sandler, is focused on helping patients achieve the most active life possible despite any cardiopulmonary diagnoses and physical limitations.

Crest Pointe now offers comprehensive cardiac care and rehabilitation services, inclusive of consultative on site cardiology visits, specialized physiatry driven cardiac rehabilitation, remote telemetry monitoring, pacemaker assessment and monitoring and disease specific education via our Care Navigation program. We tailor our program for individuals with heart disease and pulmonary disease, with diagnoses such as: CHF, COPD, post heart and lung transplants, emphysema, acute myocardial infarctions and acute respiratory failure.
